Clerk of the Court
Supreme Court of the United States
One First Street, N.E.

Re: *Jeryme Morgan v. Minh Schott, et al.*
No. 19-47

Dear Mr. Harris:

Pursuant to Supreme Court Rule 30.4, Respondents Minh Schott, Tim Veath, and Hudson Maynard respectfully request a 46-day extension to October 29, 2019, to file their response to the petition for a writ of certiorari in the above-captioned case. On August 14, 2019, the Court directed Respondents to file a response to the petition by September 13, 2019. I have contacted counsel for Petitioner, who indicates that he has no objection to this request for a 46-day extension of time.

This extension is necessary due to current and recent work responsibilities. Specifically, I filed a response brief in *Reed v. Illinois*, No. 19-1164 (7th Cir.), on August 28, 2019, on three extensions of time, and I am currently preparing for oral argument in *Proft v. Raoul*, No. 18-3475 (7th Cir.) (Sept. 6, 2019), and drafting the brief in opposition to the petition for a writ of certiorari in *Thomas v. Anderson*, No. 18-1424, which is due on September 30, 2019, on one extension of time. In addition, as a supervising attorney, I devote substantial time to performing supervisory and administrative duties, such as reviewing briefs and jurisdictional issues in numerous appeals and helping attorneys prepare for oral arguments and mediations ordered pursuant to 7th Cir. R. 33.

KWAME RAOUL
ATTORNEY GENERAL

This is Respondents' first request for an extension of time. It is not made for purposes of delay, but so that I may meet my professional responsibilities, properly represent my clients, and provide this Court with a thorough brief in this matter.

Very truly yours,
